

**American Legion Post #233  
Palm Valley, FL 32082**

**September 3, 2015 General Membership meeting**

**July-August 2015 website report for the AL233FL.org website**

July and August web activities resulted in more than 6,651 individual visitors who viewed more than 14,095 pages of information. The most visited or more popular pages were the July and August newsletters, the e-calendar page, the meeting minutes pages and the Post contacts page. I have been redesigning and updating the website during these past two months by eliminating html formatted information pages and converting that information to downloadable and printable pdf formatted files. This updating has resulted in an additional 60 hours of volunteer computer time.

We are currently at 568.11 MB capacity of the 300 GB allotted.

Our Post Facebook page is doing well. We currently have 448 followers signed up with our group. To all our members with a Facebook account, invite your friends to visit our group online and become a following member. Post 233 is located at <https://www.facebook.com/groups/AL233FL/> .

During the months of July and August I logged a total of 95 hours of volunteer computer time. This time includes the website updating as well as my Social Media Chairman time at both the district and state levels.
