### Old Business

-Financial officer resigned last month.

-No Post Chaplain

-All Members should be paying their 2018 dues.

-Air Conditioner-We are still short \$1000 for the replacement of the air conditioner. Derek committed a donation as well as Torsak to help. Ideas were discussed to get the remaining needed amount. Bartenders could ask as people approach for \$1 or something like as some of the stores; we could post a goal board. No decisions were made.

### New Business

-Bob M. asked if anyone has vetted Milk thoroughly enough to have control of everything. Roy said that the EBoard is working on that process and reconvening on Wednesday to discuss further. A member asked for an update on the financials but the commander did not know since Milk was not in attendance.

-Many members asked why the bar has been out of so many items the last few weeks. Commander explained the issues with the Bud distributor and Derek gave some advice. Commander could not answer why out of other stuff since Milk wasn't there.

-Caroline reviewed some of the upcoming events at the post.

-Al Sodenkamp resigned as Executive Committee member and was voted in by the membership as the Finance Officer. A new EBoard member will be sought.

-Bill Reno was nominated and voted in as Post Chaplain upon his post transfer.

-Commander was asked about the House Committee Chair since Ted said he cannot perform those duties while getting treatment.
