

December web activities resulted in 1,947 individual visitors, viewing 3,832 pages on the site. The three most viewed pages this month were the 'December Newsletter', the 'Special Events' page and the 'Pavilion photos' page. During the past 12 months there have been a total of 19,197 individual visitors who have viewed a total of 44,813 pages.

Current site disk usage is 478,43 MB out of the 300,000 MB allotted space for the site.

I am happy to report that since the website was created in 2008, the site currently has over 2,315 pages of information; 1,205 pictures; 9,087 internal hyperlinks; and 2,937 external links. There are 44 months of archived meeting minutes and 67 months of archived newsletters.

New for the site is an ALR233 page, as well as links to Facebook, Twitter and YouTube for National, Department, and Post 233 Legion, Auxiliary and Riders. These direct links can be found on our main page. Post 233 is in a beta testing stage for both Twitter and YouTube accounts.

Information of interest to our members, can be sent to me for posting on the website by emailing me at webmaster@al233fl.org or leave it at the bar in an envelope. Again, I'm asking for any old newsletters prior to 2006, for archiving on the site. A list is posted on the website of the missing years and months that are needed.

During the month of December I logged a total of 40.5 hours of website time. During the year 2011 I logged a total of 360.5 hours of website related volunteer time.
