

American Legion Post #233
Palm Valley, FL 32082
Commander, June & July 2014 report

1. During the months of June and July, I logged 133.5 hours of volunteer time and traveled 930 miles on Legion business.
2. Included in the above total, was 4 days attendance at the 96th Annual Department of Florida Convention in Orlando at which I attended a Food Handlers Course, instruction by the Florida ABT, I taught a class on Social Media as the new Social Media Chairman for the Dept. of Florida and in between this attended several segments of the General Session meeting as well as the segment for the presentation of the State Teacher of the Year Award to Debbie Eatmon, Auxiliary Unit 233 member. I was also required to attend the Executive Committee meeting on Sunday morning as a Department Chairman.
3. With regard to the Post, I officiated over the monthly meetings as well as the K9s for Warriors Graduation ceremonies. I was present at the Post on numerous days to oversee the renovations project. I also presided over the Installation of Officers meeting. While at the Post I also moved the Charters to the east wall and removed the old meeting room chairs to the pavilion and replaced them with the balance of new chairs that we recently purchased.

I also installed a new bulletin board for the Legion notices. I was present on the day that Moore's Septic and Sand replaced the main line to the drain field.

For God and Country,

CDR. Roy Havekost
