

June web activities resulted in 2,279 individual visitors, viewing 4,325 pages on the site. The three most viewed pages this month were the 'June Newsletter', the 'Special Events' page and the printable Monthly Events Calendar. During the past 12 months there have been a total of 21,008 individual visitors who have viewed a total of 39,245 pages. Current site disk usage is 608.31MB out of the 300,000 MB allotted space for the site. Minutes from the early 1970's and 80's of the Post are being scanned and archived for future reference. This continues to be a work in progress. During the month of June I logged a total of 28 hours of website time.
