3rd Vice Commander Report for June 2010

During the month of June, I mailed out three Project Stay Active letters to Thomas Hart, and Ronald Perritt both of Ponte Vedra and John Wood of Saint Augustine. Thomas Hart responded and a Transfer Request form was mailed to him. He will be transferring membership from Pennsylvania Post #134.

On June 13th Captain Ski and his Team held another successful Fish Fry. American Flags were distributed to those patrons who purchased a meal. This was done as a way of commemorating Flag Day on June 14th. Although the temperatures were probably in the triple digits under the cooking tent we were able to turn out 65 dinners for the day. Thank you to all the volunteers who helped out. New flags were also placed at the Post entrance sign and at the 12 Memorial Markers in the front parking lot by the flagpole.

During the month of June I contributed 12.5 hours of volunteer time.

Since this is my last report as 3rd Vice Commander I would like to take this opportunity to thank everyone for their support during this past term and also to thank everyone in advance for their continued support in my upcoming term as 1st Vice Commander.

For God and Country
Roy Havekost, 3rd Vice Commander
