**August 2014 website report for the AL233FL.org website**

August web activities resulted in more than 3,569 individual visitors viewing more than 5,530 pages of information. The most visited pages during the month were the August newsletter, the e-calendar and the Memorial page.

Recently I had run into a minor problem with the updating of some of the the navigation structure of the website. I am working to correct this, afterwhich the small backlog of meeting minutes and other reports will be uploaded to the site.

We are currently at 689.03 MB capacity of the 300 GB allotted.

On another note, our Facebook page is doing well. We currently have 293 followers signed up to be notified of postings to our page. Invite your Facebook friends to visit and 'Like' our page. The Department Commander is planning on some type of award to be given regarding Social Media, later this year.

During the month of August I logged a total of 42 hours of volunteer computer time.
