January 2013 website report for the AL233FL.org website

January web activities resulted in 3,294 individual visitors, viewing 8,109 pages on the site. The three most viewed pages this month were the 'January Newsletter', the 'Special Events' page and the Memorial page was third. During the past 12 months there have been a total of 32,779 individual visitors who have viewed a total of 70,737 pages.

Current site disk usage is 653.8 MB out of the 300,000 MB allotted space for the site.

I recently received an updated list of deceased members from department and added those members names to the memoriam page of the site. These newly added names will only show a year of death, not a month and year.

During the month of January I logged a total of 39.5 hours of volunteer website time.
