**May 2012 website report for the AL233FL.org website**

May web activities resulted in 2,366 individual visitors, viewing 4,277 pages on the site. The three most viewed pages this month were the 'May Newsletter', the '2012-13 Nominations & Election results' page and the 'Special Events' page. During the past 12 months there have been a total of 20,386 individual visitors who have viewed a total of 38,468 pages.

Current site disk usage is 581.07 MB out of the 300,000 MB allotted space for the site.

A new area has been started on the website where the minutes from the early years of the Post are being scanned and archived for future reference. This will be a work in progress, probably for the next several weeks.

During the month of May I logged a total of 20 hours of website time.
