

American Legion Post 233
Executive Committee / General Membership Meeting
February 14, 2018

Meeting called to order, minutes read, two corrections made: 1) \$8.25/hr should have been \$8.10/hr, 2) the complaint made was regarding bartender conduct not customer dis-satisfaction, minutes were then accepted.

Finance Report was unavailable, Post Commander Dan Wortmann gave a checking account balance of about \$11,000.

Unfinished Business

- House Committee report was given with updates to the events for the next month
- Cleaning service discussion was revisited, Ted Veber and Kathy Church are to follow-up on some potential candidates
- The bounced checks have been reconciled

New Business

- Caroline Merillat proposed a 3 tier fee scale for pavilion rentals \$150 for Post 233 Members, \$200 for non-Post 233 members and \$250 for Non-Members. This was voted on and approved
- There is confusion with trash ending up in the recycle cans, we will use clear bags for recycle cans and continue using the black bags for trash
- The Commander proposed that the SAL, ALA and ALR share the utility costs. The committee decided that they cannot vote on this without knowing the financial disposition of the post. It will be revisited after we have a financial report

Correspondence

- Commander Dan Wortmann announced that he would not be running for Commander next term so start thinking about who might want to
- The Commander also will be giving a plaque to the company that installed our AC free of charge
- Legion Member of the Year nominations are now being accepted

General Meeting

February 14, 2018

This meeting was an extension of the Executive Meeting
