A special meeting of the Executive Committee of Palm Valley Post 233 was called to order at 8:55 PM by P/O Bilboer.

After an opening prayer by Chap. Egan, the reading of the minutes of the regular post mtg. of 7 Feb. was waived.

Cdr. Meyers announced the appointment of a House Committee with Tom Wiley as Chairman and Ray Kern and John Egan as members. (Cdr. Meyers then left mtg. to address the Ladies Aux.). New House Chairman Wiley then read the presently approved House Rules to all present and a general discussion followed. (Cdr. Meyers returned to the mtg.). Cdr. Meyers stated it was not necessary to make any changes to the House Rules at this time but they are definitely needed to provide guidance for our volunteer bartenders. Cdr. Meyers then decreed that the House Rules will be posted and followed.

1st V/C Stines gave a report on the tent to be manned by the post during the TPC Golf Tour. 25 - 31 March. One person would be required daily at 6 AM to sign for the inventory, 1 more from 9 to 11 AM then joined by approx. 8 more until closing daily. It is anticipated the post will gross \$600 - 800 from this project. Competition, in the form of a \$500 prize, will also be held to decide the best decorated tent. After Cdr. Meyers decreed this project would be done, 1st V/C Stines made a motion the post undertake manning a tent during the TPC, 2nd by Chap. Egan and carried.

Cdr. Meyers stated the "Red Baron" pizza machine will be set up again at the bar and will be available for use at anytime.

Adj. Jackson then brought up the idea of the Post taking a 1/2 page ad (125⁻) in the program for the Southland Dixie Prom. To be held in Jax. Bah. 18-20 April 85. Intent would be to advertise the post and promote the raffle for the "Wheelbarrow of Booze." Bob Jackson, with Bilcher's help, will design ad and present it at next regular meeting. With the drawing to be held on 19 Apr. and approx 600 visitors in town the timing is ideal.

Clyde Meyers discussed the beverage prices at the bar and alluded to how the finance reports were always showing that the bar was not making money. Prices will be studied and beer prices especially, might have to be raised a nickel. Effective immediately, controlled pourers will be used behind the bar to alleviate the problem of overpouring and waste.

Plc Bilcher raised the question of repairing the floor behind the bar. Cdr. Meyers stated that although the seriousness of the problem is realized, due to a lack of funds at present repairs would have to be deferred for a short period of time. Cheyenne, Jim Harris and Darryl Nevitt volunteered their services but repairs are to be held in abeyance at this time.

1st V/C STANES made a motion the post pay Eve [#]20/wk. for her cleaning svcs. 2nd Wiley - carried.

Meeting was adjourned by Plc Bilcher at 9:10 PM.
