Commander Robert 'Robby' A. Bacom

Among the many things I have learned so far as your Commander, is what it really takes behind the scenes at our Post just to keep the doors open. To achieve more than just getting by, I see clearly now that much more is required of each of us as members of the Legion, Auxiliary and SAL. We have always said that volunteers are the heart of our success, but that success cannot reside just on the shoulders of a small group of dedicated volunteers, regardless of how broad some of those shoulders have been. To be considered a truly successful post, each of us has a responsibility to take our talents to the Post and find a way to make a contribution.

For those who have served as the shoulders of this Post, we all extend our heartfelt thanks and appreciation. For those who have stepped up and increased your volunteer hours, we want to say we've noticed and thank you!. For those who have yet to find your place to volunteer at the Post, we hope you will attend your next organization's general meeting to learn more about how you can become involved. Your participation with your respective organization is the first place your volunteer journey begins. We'd love to have you join the volunteer team on other activities as well to provide your talents, ideas and input.

It takes the efforts of the entire Legion family to take care of our Post home and make it even better!

For God and Country,
Sincerely yours,
Robby

Adjutant Patty O'Callahan

Thanks to all of you, we have met our Membership Goal, and then some, now over 110%! We will be getting our Membership Banner from Department & that is a great honor for a lot of hard work! Well done!

That is the good news, the not-so-good news is there are 52 members that are not current. If your card does not show 2012, you are delinquent, and will not be allowed canteen service, legally. We hope you continue to support your Post & your Veterans by renewing in the very near future.

Thank you for helping us reach our membership goal!

For the Good of the Legion,
Patty

1st Vice Commander Roy Havekost

This month I have written a quite lengthy report in my 1st Vice Commander monthly report for the March meeting. If you are reading this newsletter online follow [this link](#) to read my report. Want a preview of my report, come to the meeting. (Link will be active after Legionnaire Meeting at 7pm on 3/1/12)

For God and Country,
Roy

Chaplain Bob Nagel

Prayers are in order for Mark Boling and family on the tragic loss of their daughter Sarah. Mark is an SAL member of Squad 233. A memorial service will be held at the Post on Saturday March 3rd at 1:00pm.

Bob

CANTEEN MANAGERS REPORT- by Diane Dorsey

VOLUNTEERISM, “the policy or practice of volunteering one's time or talents for charitable, educational, or other worthwhile activities”

For the Legionnaires who have volunteered their time and effort to Post 233 in any capacity or have sponsored Wednesday night dinners, Thank you and feel free to skip over the following paragraph.

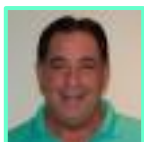

The American Legion in general and Post 233 specifically is a volunteer based operation. The responsibility for two (2) Wednesday night dinners a month and every Friday night dinner falls to the LEGIONNAIRES. (The alternate Wednesdays go to the Auxiliary and SAL) For quite some time now all but two (2) Legion Wednesday nights as well as every Friday night have been handled entirely by a small group of Auxiliary and SAL members, who are working as VOLUNTEERS. Legionnaire help has been non-existent on these nights. The Wednesday Night Meal Sponsorship program worked well for a short time and then tapered off. Folks, it just isn't that tough. For those who do cook it's pretty simple. For those that don't, you would be amazed at the array of fresh and frozen prepared foods available in quantity these days and they are quite good. There is no financial commitment necessary. For those unable to execute either of those options, the Meal Sponsorship program is still available to you and your donation will be much appreciated. There is just no good reason that the same few Auxiliary and SAL members are taking up the slack for over 400 Legionnaire members. Rant over. Carry on.

Tuesday night Texas Hold 'Em and the 3rd Saturday of the month Theme Nights continue to be very popular and lots of fun. New in March, the multi-talented entertainer Will Hurley will join our Friday night entertainment roster. Will Hurley will be on our stage March 9th and 23rd with Frankie Martin, Jr. hosting Karaoke on the 2nd and 16th and The Boz Man on the 30th. Now that spring is upon us, we are looking forward to the completion of the outdoor pavilion and some great outdoor events.

As always, it's our pleasure to serve you in the Post 233 Canteen and we appreciate your support. Your constructive comments and suggestions are always welcome.

For God and Country,

Diane

FROM THE SAL- Commander Jeff 'Tex' Ward

Gentlemen,

We have reached our goal of +100% membership. Congratulations to us! However, we want to **increase our membership** so be on the lookout for potential new members. We do not have addresses for all of you so if you have paid and have not received your card it is probably behind the bar.

Thanks to 1st Vice Jason Bass for again stepping in to provide our “once-a-month” Wednesday night dinner for February. The chicken and dumplings were a hit. He had help from his wife Allyson (now an “honorary” SAL member). The S.A.L. is responsible for one Wednesday night a month to cook dinner. Please help us by volunteering at least once this year. March date is Wed. the 21th. Chef Mike and Jason will put together a delicious and unique menu. Please plan

to be there (even if you can't help out) to buy a meal and support the S.A.L. and your Post. Dates for other months are not yet finalized but don't let that stop you. If you know when you can do it please let me know and I will make arrangements. Pick a date that you can either cook or volunteer in the kitchen. Also, remember that if you cannot volunteer you can always be a Gold Sponsor for \$100. That will pay for the food and someone else to cook it. C'mon!

The only recognition from the Special Olympics that we do not have is the "\$1000. Donation" plaque. That is a goal I want to achieve before the convention in June so please start thinking of a fundraiser we can do to reach that plateau. We will discuss the allocation of more funds at the next SAL meeting. *Please try to be there. We want your input and participation.* We have some great ideas for fundraisers and need your help. The S.A.L. is also selling scented "trees" for your car (Vanilla scent and in the style of the U.S. Flag) that are behind the bar. These were donated to us and sell for \$1. Next time you are there please purchase one (or three) of them and try to promote them as well. All the \$\$ goes to the S.A.L.!

There are other fun and exciting events and fundraisers coming up in the near future so keep your eyes on the newsletter, visit the website (www.al233fl.org) or better yet, come in to your Post and have a drink!

If you have any questions or suggestions regarding our Squadron or Post 233 issues, my phone number is 904-233-0976 and my email is flagman49@yahoo.com

FROM THE AUXILIARY- President Kathy Church

This month I would like to talk about Junior Members. Currently the Auxiliary has 22 Jr. members. Some of these members I know who they are related to some of them I have never been able to find this out. Recently we have added 7 new Jr. members to our roster I would like to get our Jr members involved more in the Auxiliary. Now I do realize that some of these members are little ones but they also can be of help. During Christmas time, Destinie Keathley (Linda Williams granddaughter) helped us in taking the Christmas tree down. Soon these Jr's will be teenagers and young adults. If we get them involved now there is a better chance that they will continue on as they get older. In May when we do our Poppy Drive and go out to places asking for donations, I would like to see some of these members out there helping out.

If you as an Auxiliary member have a daughter or granddaughter they are eligible to become an Auxiliary Jr member under the same person you joined under (father, grandfather) The Auxiliary pays Jr dues until the age of 18. Most high school students now a days have to put in community hours and we are always willing to let these girls come and help us out. Last night Riley (daughter of Debbie Braud) helped out in the kitchen for hours she needed for school. If these members become active then they are eligible to apply for scholarships or become a Girls State delegate. Let's just do it, let's get our Jr's involved, they can be the future of our Unit.

Thursday, March 8th is our regular monthly meeting starting @ 7pm. It would be see members that have not been to a meeting in a long time and to see new members at this meeting.

Saturday March 10th, The Johnston Duo will be in the house and the Auxiliary will once again be serving dinner. On this menu for this evening will be Chicken Tetrazinni as the main course. Dinner will be served from 6:30-8:00 and we are asking for a donation of \$8.00.

Wednesday, March 14th the Auxiliary will be cooking a traditional St. Patty's Day dinner. Chef Mike will be helping us with this meal and we are going to be taking reservations so we can get a head count in advance. You can sign up and reserve a dinner the beginning of next week.

We encourage you to continue to invite your friends, family members, neighbors, etc as your guest. This is a good way for them to find out what the Legion/Auxiliary/SAL is all about so they will be interested in joining. Remember if a person is membership eligible they are really only suppose to be a guest to our Post 3 times (per our House Rules). We are doing good on our 2012 membership numbers and I will be publishing our numbers this week.

I am also reminding Auxiliary members that they are invited to become a member of our newly formed Riders Chapter. Our next meeting is this Sunday, March 4th @ 11am. Come and have breakfast first if you would like.

Lastly I would like to thank all the Auxiliary Officers and members that do continually support our Post/Unit. We are a hard working group and we support the Legion in the daily activities as well as special events. These ladies need to be thanked and acknowledged for there efforts. There again I would encourage our members to volunteer. Thank you also to those who donated items and clothing to the Briley family who lost everything in a use fire two weeks ago. They were most appreciative.

Keep in your thoughts and prayers the family of Sarah Boling who passed away unexpectedly the end of Feb. Her father, Mark is an SAL member.

Hold dear to your heart all our service men and women as well as our firemen and policemen who risk their lives daily to keep us safe.

Be Safe,
Kathy

FROM THE RIDERS- Director Russ Langley

Well, since our last news letter entry, our Legion Rider's Chapter has been accepted and approved by the Department of Florida! We are now officially a full fledged Rider's Chapter, acknowledged by the state! We all have happy feet! Now, we've got to kick em' up and get it into to gear, working on membership!

Even though we currently have about 20 members, we've got to all work together and recruit more! It takes the camaraderie of numbers to make things happen! And, let me tell ya, we have some things on the horizon! And do remember! You **DON'T HAVE TO OWN A BIKE** to be a part of us! There are plenty of empty seats on the back of my fellow rider's bikes! We encourage you, and anyone you can entice to join our new and exciting group! Not only will we have exhilarating road trips from here to there, to eat and dine, to let the wind blow in our hair, we simply wish to be together in the sunshine! We'll be involved with special events to raise money that will in turn, raise our spirits! So come on, and be with us on the ground floor of our inaugural year!

Come to our next meeting and find out about the hottest thing that's going on at our Legion! We meet on the first Sunday of each month, at 11am. Don't feel obligated on your first visit, but we do have dues to be a member! If you care to join on a yearly basis, the dues are \$25. But, we have an **EXCITING** offer for those joining in this first year of our Chapter! You can pay \$100 dues, **AND YOU'RE SET FOR LIFE!** That's right! That will give you a Charter membership in our Rider's Chapter 233 for life! **DIG THAT!**

Now, for the fun stuff, I know we'll have a group that will ride down to Daytona's Bikeweek! Come join us, whether you're in a car, on your bike, or on the back of one of ours! Just come and be with us!

Lastly, be sure to check out our web page on Facebook where we communicate!
